

HELP ONE GIRL STAY IN SCHOOL AND RESTORE HER DIGNITY CAMPAIGN

Faith Arise Community Centre (FACC) is running a campaign for World Youth Day to provide re-usable pads to 2019 school girls in Zambia. The campaign will see FACC distribute 5000 re-usable sanitary towels to 1000 girls across Zambia's Rural and Urban based Community Schools. The girls will also receive adolescent sexual reproductive health education during the distribution phase to empower them with information on their health and menstrual hygiene.

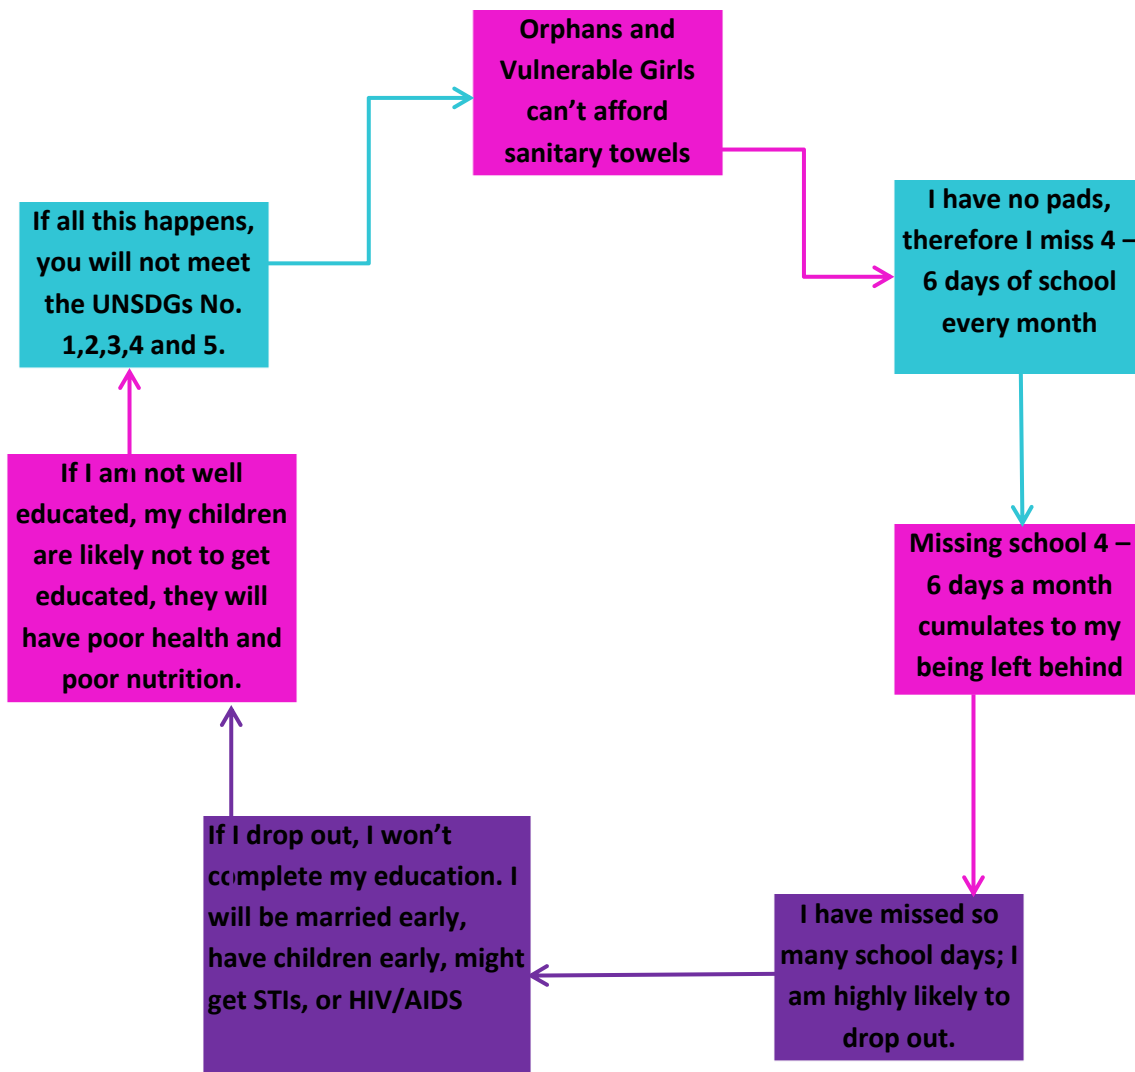

You can help keep one girl in school and restore her dignity by purchasing a minimum of one bag at K120.

To be a part of this campaign, contact FACC on 0965403009 or visit the Faith Arise Community Centre Page on Facebook.

WHY DOES IT MATTER SO MUCH?

Beside the various reasons and factors hindering the success of educating a girl in Zambia, having my monthly period has proven to be among the greatest of my challenges yet only a few people are trying to help me out. I am an orphan and a vulnerable child, that alone is a hinderance for me but the fact that I am a girl makes it even more difficult! Let me walk you through a cycle of what my future will look like if I do not get your help now.
