FIELD Introduction to Managing Projects in Humanitarian Settings

Badge Awarded to

Khadar Mahdi Ahmed

This badge is for the FIELD Introduction to Managing Projects in Humanitarian Settings module, part of the Project Management in Humanitarian Settings pathway. This badge demonstrates the learner has essential knowledge of the key requirements for managing projects in the humanitarian environment and to help field managers expand their understanding of the role of a project manager.

The Introduction to Managing Projects in Humanitarian Settings module takes approximately 60 minutes to complete.

Criteria

The earner of this badge can successfully demonstrate that they can:

- Identify key requirements for managing projects in humanitarian settings
- Demonstrate in-depth understanding of the role of a Project Manager (PM)
- Appraise project management performance against technical project management competencies, context-specific project management competencies, and interpersonal and personal project management competencies

This badge is earned by completing the necessary activities, knowledge check tasks and feedback requests within FIELD Introduction to Managing Projects in Humanitarian Settings.

[FIELD](#) has been developed by [Save the Children](#), with support of [World Vision International](#) and is available for free on [Kaya](#), the global online learning platform.
